

CLAY Request Form

In order for your students to have the proper clay for your workshop, please provide the information below.

For classes that use **WATER-BASED CLAY**, the School orders Dover Porcelain White (in 25 lb bags) from Marjon Ceramics to have available for students to purchase here at the School.

Yes, I will use the standard water-based clay available at SAS

Pounds per student: _____

OIL-BASED CLAY can be purchased by the students directly from Reynolds Advanced Materials (formerly Ball Consulting), and delivered to the School on the first day of the workshop. Please make sure your supply list we have on file communicates the amount and exact clay needed, because students will need to order their own clay prior to the workshop.

SPECIAL CLAY ORDERS If you require special clay that is NOT available through Marjon (marjonceramics.com) or Reynolds (reynoldsam.com), please provide us with the information outlined below.

Please give us *at least* two to three months notice if we need to place a special order, and provide COMPLETE information.

Clay type _____ How many pounds per student? _____

Company/ Distributor _____

Co./Distributor Contact Information _____

If the School will need to have a supply of cut **BOARDS** for your workshop, please specify:

Board Dimensions: _____ How many per student? _____
