Oil Painting for Absolute Beginners

Canvas board size 9"x12" – 3

Canvas boards size 6"x 8" – 9

Regular sketching pad 9x12, graphite pencils 4B, 6B, eraser

Brush is a very important tool – **please make sure to bring good quality brushes for oil painting.** I recommend Robert Simons bristle flat brushes sizes 2,4,6. Good to have one flat brush size 8 and one round size 2

Gamsol odorless paint thinner only for oil paint and **small dipper or cup**, not a brush cleaner. (You still can have your brush cleaner to clean brushes in the end of the day)

Palette - Masterson's Sta - Wet palette knives, paper towel, gloves if you are using them.

Make sure to select **professional grade oil based oil** (not water based oil) - Winsor and Newton, Gamblin, Rembrandt, Utrecht. There is a huge difference in pigment for student's grade and artist's grade colors. When mixing, you cannot achieve the result you want by using student's grade paint. I also can help you better if I am familiar with the paint brand and colors you use.

You can bring more colors if you wish.
