

LAUREL BUSHMAN

Supply List The Joy of Painting - Abstract Realism

PAINT : You may bring whatever colors you feel comfortable with but please bring heavy body acrylics. I typically use artists grade Liquitex and Golden but I use other brands, as well. These are the colors I like to use (I prefer cadmium free but use the other, too):

Titanium White	Cadmium Yellow Medium	Yellow Oxide
Cadmium Orange	Cadmium Red Light	Naphthol Crimson
Dioxazine Purple	Ultra Marine Blue(green shade)	Burnt Sienna
Medium Magenta	Pthalo Green (blue shade)	Sap Green
Permanent Green Light	Green Gold	Yellow Green
Pthalo Blue Light	Any turquoise or teal color	
Black Gesso		

PALETTE :

- Masterson Sta-Wet palette (12x16). It usually comes with special palette paper and a sponge. If not, you will need to buy those separately.
- Palette Paper or several coated paper plates (for the black gesso)

MARKMAKING TOOLS :

- **Palette Knives** : Please bring a set of good quality palette knives. I recommend this set (or the like) - RGM 6 Italian Plus. It is a set of 6 in various sizes and is available on Amazon. You may also find knives like these at local art stores.
- **Brushes** : One size 2 flat or bristle brush and a larger one that measures about 1.5" to 3" wide (could be a gesso brush). We will mostly be using palette knives.
- **Drawing** : 1 pastel pencil and small pencil sharpener (I use light blue)

- **Optional Markmaking Tools** : Old credit cards, Falling in Art Silicone Paint Brush Set (set of 3 color shapers available on Amazon, or the like)
