

Liz Kenyon Supply List:

Sanded paper

UART sanded pastel paper-approximate size 12x18-4 sheets

1 sheet or sample pad of La Carte toned sanded pastel paper, approximate size 19x25 Available at AZ Art Supply in Phoenix or Dakota Art Pastels online. Best to buy mid-toned hues such as brown, salmon, grey.

Soft Pastels:

Select sets from Great American 1/2 sticks, Unison, Ludwig, Girault, Blue Earth, Richeson,

Sennelier 1/2 sticks, single stick of Nupastel in these hues: orange-red, light turquoise, yellow ochre, and pale olive green.

4 foam core boards in black or white-size 16x20

3 sheets of Glassine paper

Roll of art tape in white or black

Sketchbook for notes and thumbnails

Medium tip pen by Sharpee

Micro rag

scissors

12" ruler

Artists large color wheel made by The Color Wheel Company

Before class:

Mount pastel paper onto foam core boards by attaching at corners.

Cut a piece of Glassine paper to size of the pastel paper in order to protect your finished painting and tape to board at top and bottom.

Buying suggestions:

Arizona Art Supply locally sells Nupastel and Richeson by the individual stick as well as UART pastel paper.

Check out soft pastels online at Dakota Art Pastel where they sell Great American 60 1/2 stick sets but you'll need to purchase an additional warm white.

Sennelier's 1/2 stick set and

Unison's 1/2 stick 30 set is good too.
