As you know, organizing plein air workshops require special preparations, including selection of sites and preparing maps, as well as coordinating back- up plans. Please provide information below - be as specific as possible.

If you would like an assistant to help you during your workshop in Tucson or Scottsdale, please let me know and I will find someone who lives locally to help facilitate the workshop. Or, you can specify someone who you would like me to work with to organize your workshop.

**Please indicate where you plan to go during the week, and which days you plan to use studio space at SAS, or elsewhere. If you know that special arrangements need to be made for a particular location, please let me know so that I can make sure we are prepared in advance.**
