WHO ARE WE?

We are artists, aspiring artists and friends of artists. We are also a circle of friends who enjoy doing fun things together! When you join CIRCLE OF FRIENDS, you'll become **part of a community** that cares about fine art, supports the Scottsdale Artists' School's mission and enjoys art-related events together. As a Friend you are invited to join us for the weekly Thirsty Thursday events we host for workshop attendees and you are part of the team supporting special projects that benefit the School.

CIRCLE OF FRIENDS has offered its members opportunities to be involved with both the School and the arts community in general for more than 10 years. Our members help the School expand its outreach into the broader communities in which they live. **We hope you will join us!**

HOW DO I JOIN?

It's easy! Just select the level of involvement that's right for you and pay the fee. There are options for our Friends who live out-of-state, as well as locals who can participate often and want to do more.

There are many exclusive benefits and events that come with a Circle of Friends membership. As a member, you can feel proud knowing your support helps offset events cost to the School and the group's expenses.
